WORK EXPERIENCE

Data engineer/Analyst

2021

GlowByte Consulting

- Research of data sources, formation of requirements for data uploads from sources, the formation of technical specifications
- Participation in the development of a comprehensive solution based on the collected requirements, with taking into account the features of the implemented platform and the specifics of the customer)
- Participation in the collection, analysis, formalization and approval of requirements for implemented systems
- Modified data storage for VTB bank

EDUCATION

Lomonosov Moscow State University

2017 – Present

Department of Mechanics and Mathematics

- Relevant Courses: Calculus, Linear Algebra, Mathematical analysis, Probability theory and Mathematical Statistics, Programming (Python, C++)
- GPA: 4.2/5.0

Huawei Share MSU

2020

Specialization Machine Learning, Data Analysis, Neural Networks and Computer Vision

- Relevant Courses: Python(Numpy, Pandas, Matplotlib), Machine learning algorithms

Stepik. Introduction to data science and machine learning

2021

Specialization Machine Learning, Data Analysis, Python

Stepik. SQL

2021

MySQL

PROJECT

Predicting the results of football matches | *Python, scikit-learn, plotly, numpy, pandas*

2021

<https://github.com/fro1999/Predicting-the-results-of-football-matches>

- Data processing, adding augmentation
- Data visualization
- Building a model

Recognition of 18+ site by address and keywords | *Python, scikit-learn, numpy, pandas, CountVectorizer*

2019

<https://github.com/fro1999/Recognition-of-18-site-by-address-and-keywords>

- Data processing, adding augmentation
- Work with text
- Building a model

SKILLS

Programming Languages: Python, C/C++, SQL

Frameworks and libraries: Jupyter, Numpy, Pandas, Matplotlib, Plotly, Xgboost, Scikit-learn, PyTorch, MS Office

Soft Skills: Purposefulness, Communicable, Motivated, Team Work, Learning Potential

OTHERS

- * Prize-winner of the republican stage of the All-Russian Olympiad for schoolchildren in mathematics
- * Gold medalist at school
- * I love sports, I have a category in chess, basketball and volleyball
